

Paragon Dealer Training is proud to host this high impact 2 day development program. This teaches innovative and effective techniques for F&I selling proven to accelerate penetration and profit. This seminar will be hosted by Dana Gaudet, Director of Training along with our experienced talented team. Our instructors are among the most respected and effective trainers in the automotive industry.

This unique approach to F&I selling has proven to increase F&I profits immediately. With a dynamic training style, PDS training receives outstanding reviews from students and dealer owners. We are dedicated to driving improvement with an impressive track record of results.

STUDENT COMMENTS:

"...By far the most effective training I have ever attended. This class has had a major impact on my performance!"

"...After returning from the class my PVR jumped over \$400 using the techniques learned in this class."

"... Not only did my F&I Performance increase, this class enhanced my interpersonal skills helping me in every aspect of my professional and personal life."

"F&I Sales and Income are more important than ever!"

With the upturn in consumer confidence and vehicle sales, dealership F&I departments have the opportunity to accelerate dealership income.
